

Council of Governors Meeting

May 23rd, 2026, Wenatchee WA

MD19 GLT Report

The sessions for incoming DGs, VDGs, ZCs and GATs is being held on the 22nd. We have Diane Crook from LCI attending the VDG sessions to see how the LCI plan works by having the Multiple District doing the sessions. Several Districts are missing Zone Chairs either by the paperwork not having been submitted to MD office or not having anyone step into the position, so the attendee numbers are only 17 out of a possible 53 zones having representatives attending the sessions. We have great facilitators for these sessions.

The panels for the convention are all interesting and cover various offices plus general information. We have card making, flower arranging too, so lots to do and learn.

We are working on in person officer sessions within each District. The goal is to hold at least one in person session in each District, and in the larger Districts hopefully more. The goal is to have facilitators in each District and area that can put on these sessions. District N already has their session planned for August 29th at Cascadia Academy.

Looking forward to seeing everyone in Wenatchee.

Respectfully Submitted
