

Report from MD19 GST Coordinator
Lion Jocelyn Wan
May 12, 2026

This fiscal year, MD19 has achieved strong progress in service reporting and community impact. Currently, **63% of clubs are reporting service activities** across the multiple district.

Together, Lions and Leos have contributed:

- **260,273 volunteer hours**
- **1,763,818 people served**
- **85,567 service activities**

Service activities continue to be especially strong in the areas of **Vision, Hunger, Youth, and Environment**, demonstrating the commitment of our clubs to addressing important community needs.

While several districts have shown improvement compared to previous years, there is still opportunity to work toward our overall MD19 reporting goal of **87% participation**. Continued encouragement from district leaders, zone chairs, and club officers remains important as we strive toward full reporting participation.

Special thanks to our District GST Coordinators for their leadership, dedication, and continued support throughout the Lions year.
