MD19 LCIF- BC Committee Report

The Multiple District continues to do well in raising funds for LCIF with ~\$131k raised north of the border and ~ 53% of clubs having donated to date. Special thanks to the District Coordinators, District Governors and Zone Chairs throughout L, I and O for their efforts to keep our Foundation front and center in all contact with Clubs and members.

I attended the District L MJF Gala in Richmond which saw cheques to LCIF in excess of \$75k presented. Also took part in the District I Spring Conference in Kelowna along with MD19 US LCIF Coordinator PID Don Shove. Was a good event and enjoyed hearing of what LCIF has contributed to that District, meeting members and hearing how LCIF is supported there.

Will be attending the MD Convention in Wenatchee with and look forward to meeting new lions there as we draw nearer to the end of the 25/26 Lions Year.

In Service,

PDG AI Stobbart
